**MAYOR RADKOWSKI AND CITY COUNCIL HOST TOWN HALL**

*The Next 25 will focus on what the younger generations want to see in their community.*

ST. MARYS, PA – On August 13<sup>th</sup>, 2018 at 7PM at Tablespoons Café, Mayor Radkowski and City Council will be hosting a Town Hall aiming to gather feedback from the youth and young adults in our community about how they want to see the City grow and support them over the next 25 years.

The town hall that will be held at Tablespoons Café, 10 Erie Ave, St. Marys, PA, will have Mayor Radkowski guiding the discussion on what are the real hopes that the younger generations have for this city. “I want our younger citizens to know that we will listen to how they want their home to develop and grow,” says Radkowski.

In 1994, the Borough of Saint Marys consolidated with the surrounding Benzinger Township to form the City of Saint Marys. 2019 will be the 25<sup>th</sup> anniversary of this consolidation. As we turn the page and being the next 25 years, Mayor Radkowski and City Council want to know how YOU want to see Saint Marys evolve to meet your future needs.
